

# *Energy Healing & Massage Therapy*

*By Yakov Yashanskiy & Tatyana Kuzenetsova*

Both have over 20 years of unique experience in alternative medicines, including work at the special scientific research laboratory for rehabilitation of the population affected by the Chernobyl disaster. Yakov and Tatyana successfully integrated European methods of physical therapy with ancient Oriental knowledge of energy healing. Special remedial treatment of Yakov and Tatyana includes modalities and techniques far beyond any regular massage therapy. The treatment is tremendously useful for anyone. Specifically it is beneficial for people who are suffering from:

- *Back pain, neck pain, and other pain*
- *Stress, insomnia, depression*
- *Postural and biomechanical deviation*
- *Chronic fatigue*

Each healing session includes one-hour full body massage, pulse diagnostic of energy flow, joint mobilization, and stretching. Don't miss out on this powerful healing treatment.
