

Mokhtar Asaadi

SMILE IN YOUR SKIN

With Dr. Asaadi's
Revolutionary and
Comprehensive Laser
Treatment Offering

Fractional Skin Resurfacing Enjoy healthier, younger, more radiant skin with the Intense Pulse Light/Pixel Perfect Fractional Laser. Just one treatment enhances your overall complexion, evens skin tone and reduces scarring, lines and wrinkles for up to one year.

Laser Hair Removal The perfect longer-term solution for unwanted hair anywhere on your body.

Laser Scar Revision Reduce the appearance of many types of scars, including scars from injury or acne, with laser scar revision treatment.

Laser Tattoo Removal Don't suffer with unwanted tattoos. Once considered permanent, tattoos can now be removed safely and effectively.
